विषय : माह जून से नवम्बर 2018 के अंतिम क्षेत्रीय ऊर्जा लेखा में संशोधन-1।

Subject – Amendment-1 in Final REA for the month of June to November 2018.

महोदय/Sir,

This is in reference to Final REA for the month of June to November 2018 issued by this office in the month of March 2019 and August 2019.

There were some discrepancies in the beneficiary-wise schedule for NTPC gas stations during instances when they were selling power in the power exchange due to change in the format of the data being provided by NRLDC upon implementation of WBES. The Deviation settlement accounts, Provisional and final REA accounts for the subject mentioned period were issued based on the incorrect schedule data calculated by NRPC inadvertently due to the software change by NRLDC.

As per clause 8 of Annexure-1 of IEGC,

"All Regional Energy Accounting calculations carried out by RPC Secretariats shall be open to all regional entities for any checking/verification for a period of 15 days. In case any mistake is detected, RPC Secretariats shall forthwith make a complete check and rectify the mistakes."

However, no discrepancy was reported by any utility despite provisional energy and DSM accounts being issued last year.

The discrepancies have been detected when PGCIL vide letter dated 09.09.2019 sought amendment in Final REA for the month of October 2018. It was noticed that the amendment is required not only for the month of October 2018, but for six months, i.e. from June 2018 to November 2018. The amended REAs for the said months containing the corrected data is enclosed herewith (copy available on www.nrpc.gov.in).

भवदीय

Yours faithfully,
