Respected Madam,

This is with reference to your letter number **GUVNL/Comm./975** dated 04.12.2020, we are pleased to make the following offers:

- 1) From time to time, beneficiaries have proposed to surrender their own share of power and requesting reallocation of the same to other beneficiaries. The details are given in Annexure-I. Upon receipt of request from your end, same shall be pursued with MoP for reallocation to GUVNL (indicative Fixed charges and variable charges are given in the Annexure-I and this shall be as per regulated Tariff norms of CERC).
- 2) Further, we have 25 MW each from Korba and Farakka, which can be offered immediately as a single parcel for medium or long term as per regulated Tariff norms set out by CERC. Indicative figures are given in Annexure-II
- 3) We have further taken up with a few states for supply of surplus RE power at the earliest. However, they have asked for a few days to confirm. We are hopeful that it would be available in the range of Rs 4-4.50 per kWh.

It is therefore, requested to scrutinize the above and confirm to us and we will endeavour to tie up the same suiting your requirement

With kind regards,

Yours sincerely,
